You have a John A. Hubbard listed as the son of Stephen Warren Hubbard and Ann Elizabeth Barnett Hubbard. He is not their son. He is their nephew. He does appear in the 1870 as living in their household, but he is not their child. Stephen and Ann had six children from what I can find, but as far as I know, they did not have a child by the name of John.

From the “Rockford Register”, Rockford, Iowa, September 10, 1936.
“91 Years Old Next Saturday”
“C. M. Hubbard, a pioneer resident of this community, will observe his 91st birthday Saturday, Sept. 12. This gives Mr. Hubbard the distinction of being the oldest person in the immediate vicinity of Rockford.
Charles M. Hubbard was one of a family of twelve children. He was born in St. Lawrence county, New York. When he was six years of age his family moved to Indiana, two years later coming to Iowa.
Log Cabin Built
The family first settled in the northeast corner of Floyd county. A log cabin was built on the bank of Rock Creek near where it joins the Cedar River, and this was the family home for some time. Mr. Hubbard Sr., bought 160 acres of government land at $1.25 per acre.
Wild game roamed the woods and furnished an important part of the living. At one time a herd of 13 deer was seen. Bear, otter, beaver and coon were also plentiful, while pickerel, muscolonge, black bass, red horse and suckers were taken from the waters of the river and creek.
The first store bulding in Osage was built by Mr. Hubbard and his brother-in-law.
Indian Alarm
These pioneer days were not without their thrills, and one of these came to the settlers when the Indians fell on New Ulm, Minn., and massacred the inhabitants. Word reached the Hubbards that the Indians were headed for Iowa. Mr. Hubbard gathered his family together and, in the company with neighbors, they set out in an old scow for Bradford. The trip came to an end in Charles City, where the boat went over the dam. The alarm about the Indians proved to be false.
Family Moves to Rockford
On July 4, 1869, Charles Hubbard was married to Miss Maggie Elliott, and they established their home
Register Report

on Spring Creek. Later they lived on a farm north of Rudd for a number of years. After living for short periods on two different farms north of Rockford, Mr. Hubbard moved to the farm he now lives upon, which he had purchased two years earlier. Here Mr. Hubbard built up his home, setting out trees, and erecting a complete set of buildings as the years passed.

Later Mr. Hubbard worked at his trade of carpenter for some fifteen or twenty years. There has probably not been a more active man in the community than Mr. Hubbard, and until recently he has worked side by side with his son Walter. He also has one daughter, Rosa.”

From the “Rockford Register”, Rockford, Iowa, November 25, 1943.

“C. M. Hubbard Final Rites Wednesday P. M.”

“After a life span of nearly a century, death came Sunday evening at 6 o’clock to Charles M. Hubbard, at his home two miles northwest of town.

Charles Morley Hubbard was born Sept. 12, 1845 at Potsdam, New York, and at the age of 8 years came with his parents to Lithograph City in Mitchell county.

On July 4, 1869 he was married to Miss Maggie Elliott of Floyd county. With the exception of a few years in Mitchell county, they have spent their life on their present farm. To this union two children were born, Rosa M., and Walter, who with the widow, survives Mr. Hubbard.

For 60 years Mr. Hubbard lived on his present farm where he did carpentry work as well as engaged in farming. He experienced the hardships of early pioneering as he carved for himself a niche in the world. He lived to witness all the transitions from oxcart days to the present time of scientific progress and achievement. He enjoyed good health until a few years ago, but was able to be about until ten days before his death.

Funeral services were held at 1 o’clock Wednesday from his late home, with the Reverends F. A. Smith and C. G. Fort officiating. Burial was at Riverside cemetery, Rockford.”

On 4 Jul 1869 when Charles Morley was 23, he married Margaret “Maggie” E. ELLIOTT, F, daughter of John ELLIOTT, M & Elizabeth WEBB, F, in Mitchell County, Iowa. Born on 12 Apr 1848 in Schleisengerville, Washington County, Wisconsin. Margaret “Maggie” E. died in At home near Rockford, Floyd County, Iowa., on 6 Apr 1948; she was 99.

From the “Rockford Register”, Rockford, Iowa, April 14, 1948.
“Rites for Mrs. Maggie Hubbard Held Friday”  
“Funeral services for Mrs. Maggie Hubbard were held Friday, April 9, at 2 o’clock from the home, with the Reverend Charles G. Fort of Sheffield officiating. Final resting place is Riverside Cemetery, Rockford.

Maggie E. Elliott was born at Schleisengerville, Wisc., April 12, 1848 and passed away at her home near Rockford, Iowa, April 6, 1948, lacking six days of being 100 years old.

When nine years old she moved with her family to Michigan and nine years later moved to a farm north of Rudd, Iowa.

Miss Elliott was united in Marriage to Charles Hubbard of Mitchell county, Iowa, July 4, 1869, and lived there during their early married life. The majority of their long years of life together were spent on their farm north of Rockford, where Mr. Hubbard passed away Nov. 21, 1943 in his ninety-nineth year.

Two children were born to them: Walter, who died last December 14, 1947, and Rosa M. who, with her mother’s sister, Miss Rosa Elliott of Des Moines, Iowa survives.

For the past ten years Mrs. Hubbard has been very feeble, and for the past three weeks, critically ill. She passed away peacefully last week, Tuesday afternoon at 1:30 o’clock.”

More children
I have Harry Harvey Hubbard, born 11 April 1885 in Sioux City, Iowa. Died 28 April 1886 in Peterson, Clay County, Iowa. This information was given to me by my Uncle John Hubbard in the early 1990's. I show that Russell and Hattie had a total of 12 children. They also had a son, Calvin Russell Hubbard born 22 January 1888 and died 2 October 1888, both in Sioux City, Iowa. Another son Charles Henry Hubbard, born 25 January 1892 in Watertown, Iowa and died 27 February 1900 in Kansas City. A daughter, Clara Anstis Hubbard was born 3 March 1894 in Watertown Iowa and died December 1894 in Milac Lake, Minnesota (could this be Mille Lacs County, Minnesota?-my question) All the info on these children are from my Uncle John. He would have been Russell and Hattie's grandson.

“Died”
“Edith May, wife of W. W. Hubbard died at Kimball, S.D. September 1, 1890, after an illness of about 5 months. Deceased was born at Manchester, Iowa, March 20th, 1866, her maiden name was Whitman. She was married to W. W. Hubbard at Ruthven, Iowa, July 14, 1887. In May 1888 God blessed their home with a dear little girl, Leona, who only lived for 18 months when the little life went out to the one who gave it. In the spring of 1889 she became a member of the Christian church at this place on profession of faith, and lived a consistent Christian life, and died in perfect trust and peace. Just before her death and when she had been told that death must come soon, she called her husband to her bedside and talked of her disease and her hopes for him and baby boy Donald, whom she prayed might receive Christian care and training. Her conduct testified more eloquently than many sermons of the power in Christ over death. And the faithful loving wife and pure christian mother passed into the great beyond as calmly as she would have sang the lullaby to her darling baby. The funeral was conducted by Rev. M. F. Redlein of Tacoma, Washington, at the Baptist church in this place on Wednesday, September 30, and was very largely attended by relatives from aboard and her many devoted friends of this place. The church was most beautifully decorated with flowers by the kind hands of neighbors and friends.”

He suffered a stroke Dec. 7, and again on Dec. 9, from which time until his death his condition remained critical.

Walter Hubbard, son of Mr. and Mrs. Charles M. Hubbard was born April 8, 1870 near Orchard, in Mitchell county, Iowa, and passed away at his home Sunday morning, Dec. 14, at 5 o’clock. He was 77 years, 8 months and 6 days of age.
When a small boy he moved with his parents from north of Rudd to two different farms north of Rockford, and from there moved to his present home in the year 1884, where he had resided the remainder of his life.
Register Report

Walter, before coming to Rockford, attended a rural school in the vicinity of Rudd. After coming to Rockford he attended the public school here. He spent his entire life in the vocation he liked best, farming. In this activity he worked side by side with his father, until declining years incapacitated his father. He then carried on alone the remainder of his life.

Walter Hubbard was a public-spirited man, always doing all he could to advance the interests of the institutions of this community. There was one time when the financial interests of the community was not too stable. He remained loyal to the best interest in those dark days and thus helped to put the community back on a sound basis.

Those who mourn his departure are his aged mother, Mrs. Charles M. Hubbard, and his sister, Miss Rosa Hubbard, both of whom lived with him on the present farm during his entire life. He is also mourned by many other relatives and friends.”

“Edwin Hubbard Passes Away”
“Well known Josephine County Young Man Died Suddenly of Appendkitia--Funeral Friday Auspices W.O.W.”

“Edwin Hubbard, son of Mr. and Mrs. J.A. Hubbard, and a well-known young man of Josephine county died Wednesday evening at his home at Hubbard’s station, a few miles east of this city. Mr. Hubbard’s death caused by an acute attack of appendicitis was sudden and unexpected and was a severe blow to his relatives and many friends of this city. He took ill last Saturday afternoon, though neither he nor his wife believed his illness anything more severe than a stomach ailment. As he failed to grow better Dr. Moore was summoned Monday evening. An exmaination brought the startling fact that the patient was stricken with appendicitis. He was impossible to secure the aid of any other Physician of Grants Pass at the time, so Dr. Pickel, of Medford, was summoned and arrived early Tuesday morning. An operation was performed but at too late an hour, as the disease had already poisoned the patient’s entire system.

The funeral occurred yesterday (Friday) morning at 10 o’clock from the residence of Mr. and Mrs. Hubbard, and was conducted under the auspices of the Woodman of the World, of which the deceased was a member, Rev. J.W. McDougali and Dr. Robt. Leslie officiating. The last sad rites were attended by a host of the friends of Edwin Hubbard. The remains were laid to rest at Odd Fellow’s Cemetery.

Edwin Hubbard was born in Iowa 27 years ago, though he has spent the greater part of his life in Grants Pass. He was married five years ago to Miss Etta Clark, of Klamath county, one child, mother and father and a sister, survive him.
Register Report

For the past year Mr. Hubbard has been proprietor of Hubbard’s station on the Grants Pass-Crescent City stage road, between this city and Kerby. He was a man of stirling qualities. Sturdy, sober, industrious; possessed of a kindly disposition he held the esteem of all who came in contact with him. He was a member of Rogue River Camp, W. O. W., which order he joined five years ago, and carried benefits to the amount of $2,000.”

Anna Richardson appeared in the mortuary records from Dokken-Nelson Mortuary for 1922. The listing indicated that she was the wife of W.H. Richardson and that she died in Bozeman. The records do not cover 1945 so I wasn't able to check him. I looked in the Sunset Hills Cemetery (which is located in Bozeman and is the largest in the county) records and found a William H. Richardson buried in the Masonic section and Anne Richardson buried next to him. Despite the wrong name for her, I am assuming that they are the people you are looking for. I hope this helps.

Subject: Anna Richardson 1922

Terri Dood, reference librarian at Bozeman Public Library, wrote that Dokken-Nelson Mortuary cared for Anna Richardson, who died in Bozeman on 22 Dec 1922. She was buried in Sunset Hills cemetery in Bozeman. I am wanting to know if this Anna "Anne" Richardson's maiden name was Hubbard. Were her parents Calvin and Jennie Hubbard? Was her husband William H. Richardson? Was her son also William H. Richardson.

William H. Richardson, the elder, died on 21 Nov 1945, and was buried next to Anne Richardson at Sunset Hills.

From a Bozeman newspaper, December 23, 1922, page 5.
"Belgrade was shocked Friday morning by the death early that morning of Mrs. W. H. Richardson at the Deaconess hospital in Bozeman, where she was taken Monday to receive special care. Mrs. Richardson was highly esteemed by her friends, and all will mourn with her husband and son and other relatives, her untimely death. She had been sick but a few weeks, but owing to the nature of the malady her death was not unexpected for the past several days. Word has been sent to relatives, and plans have been partly made,

the funeral will be held Tuesday of next week. Mrs. Richardson has been a resident of Belgrade for a number of years, and was prominent in several social affairs, and was president of the Belgrade Woman’s club, and of the Episcopal guild, a charter member of Belgrade Chapter O. E. S., and had just been elected to the office of associate matron of that order. Further announcement of plans will be made later as learned.”

“Mrs. Anna Hubbard Richardson, wife of W. H. Richardson of Belgrade, who died at the Deaconess hospital Friday morning, December 22, was well known in Bozeman, and had many friends here who will be sorry to hear of her death. Final arrangements have not been made for the funeral, but it will probably be in Bozeman, Tuesday, December 26.

“A large number of Belgrade friends, including members of the Order of Eastern Star, attended the funeral services for Mrs. W. H. Richardson of Belgrade, yesterday, at St. James’ Episcopal church in Bozeman, the Rev. Byrle J. Osborn officiating. The singers were from Belgrade, and included Mrs. F. M. Foerschler, Mrs. C. M. “You are so great at solving puzzles - here's one for you. Attached is a newspaper article for Arthur's 80th birthday. It was in the Antioch Ledger dated February 6, 1964. I'm also attaching a genealogy report for his wife Rose. I knew them as Aunt Rose and Uncle Art and we would go visit them in the 1950's and early 60's (before I was married in the fall of 1961). They lived in Brentwood, Contra Costa County, California. From what I remember Aunt Rose talking about, it seemed like she was from Texas (either born or raised there). Rose and Art had no children together and from what I remember my mom telling me as a child, that Rose's first husband was the father of her two children and that he was a mean man and she left him. Am assuming that McMurray was his name. From the newspaper article, appears her maiden name was Frost. I am trying to find out when and where she died and maybe a little bit mor e about her. I know she died within a year or so of Arthur - don't know if before or after. I did find his death in the California Death Index and Social Security Death Index. Arthur did call her Rosie and so did a lot of other people. I don't know if Rose or Rosie was her real first name, a middle name or nickname. I think they were both living at their home in Brentwood when they died, but am not sure. Rose was diabetic and had parkensons and I believe she was a bit younger than Art. From what I remember from the last couple of visits, son Ellis and his wife had a mobile home parked behind Rose and Art's house and helped them. Art had been a foreman at a fruit packing place in the Brentwood area and was forced to retire when he turned 72. They had a rather small home and behind their home was a number (maybe 6-8) very small houses that they rented out to farm laborers. Aunt Rose was a very sweet person. Use to scare us to death when she poured coffee - had a glass perculator that you made coffee in on the stove and her hands shook so bad, it was amazing, but she never spilled a drop. She use to always cook fried chicken when we were there. Bought whole chickens and whacked them up with this huge knife and then fried them in this huge cast iron skillet filled with grease. But she never missed with the knife and never got burned with the hot grease. “ Janice Lane.

“Died – Leone, daughter of Mr. and Mrs. W. W. Hubbard, aged 16 months, and 20 days (sic), on October 5th, 1889.
Only those who "Sigh for the touch of a vanished hand
And the sound of a voice that is still" can fully sympathize with the bereaved parents. Little Leone had just learned the innocent prattle of childhood, so endearing to parents. The circumstances of this case recall these beautiful lines:
"And then I think of one who in her youthful beauty died,
The fair meek blossom that grew up and faded by my side.
In the cold moist earth we laid her when the forest cast a leaf.
And we wept that one so lovely, should have had a life so brief.
Yet not unmeet it was that one like that young friend of ours.
So gentle and so beautiful, should perish with the flowers.

Mr. and Mrs. Hubbard desire to express their gratitude to kind friends for their sympathy and good offices during their late affliction.”

Calvin P. Hubbard

“POLSON - Calvin P. Hubbard, 82, of Polson, passed away on Friday, June 11, 2004, at Evergreen Health & Rehabilitation Center in Polson.
Cal was born to Roy Benjamin and Maude Porter Hubbard on Aug. 7, 1921, in Spokane.

They moved to Belgrade where Roy became apprenticed to his father-in-law who had a drugstore in Belgrade. Roy installed the first radio sold by the drugstore when they came out in the early 1920s.

Cal and his sister Kathleen attended grade school in Belgrade during the Great Depression. The family moved to Polson in 1933 when Cal entered the eighth grade. He graduated from Polson High School in 1938, when he recalled that "a big day" (financially) at his dad's store was $15 or $20 in sales.

Cal worked summers at the local creamery, making butter and shipping boxes, as well as ice cream and ice for ice boxes, a forerunner of refrigerators. They also bottled pop and Cal delivered it to stores in a 1932 Chevy pickup.

He began college at Montana State University in Missoula which later became the University of Montana. He majored in pharmacy. Sigma Nu was his choice of fraternities where he earned his board and room working in "The House."

In college, Cal was a member of an honorary group called "Bearpaws" and as a senior he was in "Scaboard and Blade," an honorary military society, and was also Cadet Colonel.

In his junior year he met a girl in the freshman women's dormitory. They began dating and a year later were married. She was Lois Judson of Cut Bank where their wedding took place in the Presbyterian Church on Jan. 9, 1943.

Japan attacked Pearl Harbor during Cal's junior year when he was in ROTC, and upon graduation in 1943 he was sent to Officer Training School in Fort Benning, Ga., for four months. Lois was able to live near Fort Benning during the time of Cal's training.

Cal was commissioned a second lieutenant in 1944 and his first assignment was Camp Shelby, Miss., the 273rd Infantry of the 69th Division. Again, Lois accompanied him and lived in Hattiesburg where a number of officers' wives lived, looking forward to weekends when the men were usually allowed to join them. These couples have been lifelong friends.

Cal was sent to the European Theater of World War II, landing in England as a replacement officer. From there he was sent to Utah Beach, France, with a unit three days after D-Day, June 9. They were assigned to the 1110th Engineer Combat Group and saw action immediately. He was promoted to first lieutenant in a light equipment company and transferred to the 164th Engineers Combat Battalion, building bridges and laying mine fields.

One of the campaigns he took part in was the Battle of the Bulge, toward the end of 1944 and into 1945. He also served in three other campaigns and was awarded Battle Stars for all.

Page 100
The battalion supported the infantry into Germany. He often "ran into" fellow classmates of the University of Montana. After V.E. Day he remained in Germany along the Rhine River repairing bridges.

The military was classifying the men with a point system to determine when they could go home. In the meantime back in Montana, during the Battle of the Bulge, Lois gave birth to a son, Judson, and he counted as a point in the system.

Soon Cal had enough points to return and happily landed in Norfolk, Va., on Christmas Day 1945, after a rough, 10-day ocean voyage. He was honorably discharged and promoted to captain at Camp McCoy, Wis. He joined his wife and saw his year-old son for the first time in Cut Bank before coming to Polson.

Back in Polson, Cal was employed as a pharmacist by his dad in his drugstore, Hubbard's Pharmacy, in the Security Bank Building on Main Street.

Cal and Lois bought their first car, a top-of-the-line, for $1,610 loaded with accessories.

He worked for a number of years before he began buying the pharmacy which also had an old-fashioned soda fountain.

It is interesting to note that Cal was not the only pharmacist in the family. His grandfather, two uncles, his dad and sister were also pharmacists.

When a second son, Duncan - a baby boomer - was born, and then with a third baby boomer, Kirk, they bought their first home and enjoyed fixing it up.

In 1957, Cal got a small-business loan to build a new store, next door to the original store. They also had a fourth son, Tim, that year.

A highlight in Cal and Lois' lives was building a home overlooking the lake and said to be on Cemetery Road. They drew the plans themselves and were very happy doing the painting and watching the progress of the house.

But they didn't like saying they lived on Cemetery Road, so they called all residents, very few at that time, to meet in their home and choose a new name for the area. It was voted to be called Hillcrest Drive and so it has been since 1956.

Cal was a commander of the American Legion; a member of the Masonic Lodge; served on committees in the Chamber of Commerce; was president of the PTA; a member of MOD (Montana Opposing Discrimination), which became ACE (All Citizens Equal); a member of Jaycees (Junior Chamber of Commerce) and Polson Outdoors; and spent over 30 years on the City County Planning Board.

A funny incident arose in Jaycees one summer. The members wanted to reduce the population of magpies in the county. So they set a certain day, everyone came with their .22s and did away with hundreds of magpies,
while their wives, the Jayceens, prepared a picnic.

Another of the more serious and profitable projects was Jaycees having big hydroplanes going from races in Seattle to come through Polson on their way to the next big race in Detroit. They stopped in Polson and had a very impressive race on Flathead Lake. They did this several years and it brought hundreds of boating enthusiasts to watch The Copper Cup Regatta in Polson Bay.

Cal put his heart and soul into running his pharmacy but he still made time to teach all his boys to handle guns and go on hunting trips for birds as well as big game.

He was a constant source of strength for his family and friends, often sought for medical advice and wisdom on many subjects. He was a man of true integrity and strong moral code.

In 1980, Cal was honored by the state pharmacists association with its highest award, the Bowl of Hygiea of Pharmacy for community services. He and Lois went to the award ceremony in Billings and also to Williamsburg, Va., to meet pharmacists from all over the United States who also won the award.

Cal sold the pharmacy to Dick Christopher but continued to work part time until his retirement in 1983. He was a registered pharmacist for 50 years.

Cal and Lois enjoyed many auto trips in his retirement years, which took them into every state in the United States. They also went to Hawaii and Alaska and 10 countries including Canada. The whole family went on trips covering most of the states when the boys were young.

Cal was an avid reader, sometimes reading an entire book in one day. He really appreciated the Polson City Library. He supported the library and Friends of the Arts, believing they were good for Polson.

He was an active and lifelong member of the Presbyterian Church, serving as an elder and in many other capacities including chairman of the Parish Council.

He is survived by his wife Lois; four sons, Judson (Chris) of Murfreesboro, Tenn., Duncan (Kathleen) of Missoula, Kirk (Anne) of Reston, Va., and Timothy (Gayle) of Rolling Hills Estates, Calif.; 10 grandchildren, Brian, Andy, Erin, Ben, Somi, Rory and Arrow Hubbard and Jackie, Brennan and Carson Blake. There are also four great-grandchildren, Isabella, William, Sophia and Ella Hubbard. There are six nephews and one niece, Chris Malgren of Polson.

Memorials may be given to Glacier Camp and Conference Center, Box 384, Lakeside, MT 59922.

A memorial service will be held at 2 p.m. Wednesday, June 16, at the First Presbyterian Church, Polson, with the Rev. Dave Anson officiating. Interment with military honors will take place at Lakeview Cemetery.

Cremation and arrangements are by Grogan Funeral Home & Crematory of Polson."

On 9 Jan 1943 when Calvin Porter was 21, he married Lois Arline JUDSON, F, daughter of Horace W. JUDSON, M & Edith H. LANG, F, in Presbyterian Church, Cut Bank, Glacier County, Montana. Born on 20 Dec 1923 in Great Falls, Cascade County, Montana. Lois Arline died in Polson, Lake County, Montana., on 9 Feb 2007; she was 83.

From the “Missoulian”, Tuesday February 13, 2007.

“Polson--Lois Arline Hubbard passed away peacefully Friday, Feb. 9, 2007, at Community Medical Center in Missoula. Although she had a rare form of lung disease for many years, she had only been hospitalized briefly when she succumbed to unrelated complications.

Lois was born to Horace W. and Edith Lang Judson in Great Falls on Dec. 20, 1923. They lived in Browning for a year and then moved to Cut Bank where her dad was the county attorney for many years. Lois had one sister, Dorothy May.

The Judson family rented a small house across the street from the courthouse which Lois learned much later was $20 a month. Her mother played the piano for silent movies in the early 20s when music emphasized the silent movie scenes. Her little girls would go with her on occasion and Dorothy would read the captions to Lois.

Louis remembered her Girl Scout years and a special time when President Hoover’s wife who promoted the girl scouts came to Great Falls to herald their 25th anniversary (They have now observed over 90 years.). Mrs. Hoover had a limousine and offered rides to a few girls to go on a sightseeing trip. Lois was chosen and was thrilled to have a ride with Mrs. Hoover, even getting her autograph.

High school summers she worked at a soda fountain when milk shakes were 15 cents. Lois attended Cut Bank schools graduating as valedictorian of her senior class in 1941.

Having carried a scholarship to Montana State University in Missoula (now the University of Montana) she enrolled that fall and was a member of Sigma Kappa sorority. In the freshman women’s dormitory, she was an officer, knew everyone in the dorm and made an effort to know everyone on the campus. Women out numbered men there since Pearl Harbor. One of her dorm friends was Katherine “Kay” Hubbard from Polson who said she thought Lois would like her upperclassmen brother: Cal. They eventually did meet, dated every major ball, and she did indeed like him. A year later on Jan 9, 1943, they were married in the Cut Bank Presbyterian Church.

Cal and Lois lived in an apartment in Missoula while Cal finished his senior year and graduated as pharmacist (RPH) which he remained for 50 years. Cal was the well known respected owner on Hubbard’s
Register Report

Pharmacy in downtown Polson, which his father had started in 1933.

Cal was called to the infantry school at Fort Benning, Ga. for officer’s training in August 1943. Wives were allowed to live in nearby Columbus and see their husbands most weekends. Lois worked in a bank there for $66 a month stipend. Lois also accompanied Cal to his first assignment as a second lieutenant to Camp Shelby, Miss. There she and her friends became blood donors which Lois did for many years after the war until her health prevented it.

When Cal was sent overseas to the European Theater, Lois went to live with her parents in Cut Bank and there she gave birth to a boy, Calvin Judson. The hospital bill was $9 a day for 10 days; the doctor bill was $35. She was active serving at the USO and Blue Star Wives Club. One of their activities was seeing that every home had a blue star in the window if someone from that home was in the service. They also made cookies and candy for servicemen on the trains passing through Cut Bank as well as for the airmen stationed at the nearby airbase. Lois’ dad was in the Civil Air Defense there.

When Cal came home he saw his 1-year-old son for the first time. The new family came to Polson and Cal started working in his Dad’s drugstore. They had a Baby Boomer, Duncan, and moved into a little house. When they had another Baby boomer son, Kirk, they bought a larger house and had fun remodeling and painting it. Lois was a Cub Scout den mother for many little boys.

She took her own boys to Sunday School at the Presbyterian Church and taught small children’s groups for 16 years. Later she was an active leader of adult classes and worked in the women’s fellowship groups and studies for countless years. Lois was an active, lifelong member of the First Presbyterian Church serving in many capacities including deacon. She was editor of the church’s monthly newsletter, writing all the articles, printing on a mimeograph and preparing the paper for mailing. At one time she updated the church library using the Dewey Decimal System she had previously learned. She also led Bible classes in the nursing home for years. Home visitations were a special part of her church life.

One of the highlights of Lois life was drawing the plans for their four bedroom home on a hill east of town and watching its progress during months of construction. All of the residents of the hill’s area met at the Hubbard home to think of a better name than Cemetery Road for the locale. It was in 1956 that they chose the name of Hillcrest Drive, which it remains today. Soon a fourth son, Timothy, was born. There were many children on Hillcrest by then and a school bus route was established.

A fun time for Cal and Lois was being part of a five-couple Supper Club for 40 hears. Another high point of Lois’ life was when they bought a boat and a lot on Wild Horse Island, where they built and furnished a cabin in 1972. The entire extended family, now numbering 27 has enjoyed that haven every summer since.

Cal and Lois took their young boys on trips every summer, visiting historic places in Monana and then eventually visiting every state in the continental United States. She took advantage of having a captive audience and read about points of interest to them as they rode along. After the boys were grown Cal and Lois went on overseas tours to 10 countries as well as Alaska and Hawaii.

Lois had several hobbies over the years; she did ceramics, rug making, crewel embroidery, knitting and special counted cross-stitch pieces for family members. Lois made a photo album/scrapbook for each of her boys when they married. In turn, they all made a book of photos for their parents’ 60th wedding anniversary.

Lois said as a very young child that she wanted to be a “lady with a baby.” She was happiest being a homemaker. Her favorite season was winter in all its glory.

She was preceded in death by her husband, parents and her beloved sister Dorothy MacCarter. Dorothy

was well-known in the area because she had twin boys and triplet boys. Lois was proud in recent years of being a great-great-aunt to her late sister’s great-grandchildren.

Survivors are her sons Calvin J. (Chris) of Tennessee and their children Brian and Erin, Duncan (Kathleen) of Missoula and children Andrew and Benjamin and stepchildren Jackie, Brennan and Carson, Kirk (Anne) of Polson, and Timothy (Gayle) of Los Angeles and their children Sombreuil, Calvin R. and Arrow, nephews Doug MacCarter (Mary Lynn) of Phoenix, Don MacCarter (Jane) of Livingston, Dean MacCarter (Monica) of Denver; Daryl MacCarter (Karen) of Boise, David MacCarter of Denver and Ken Malgren (Carmilia) of Boise; niece Christine Malgren of Polson; and five great-grandchildren.

Services will hold at 11 a.m. Thursday, Feb 15, at the First Presbyterian Church in Polson. 

Memorials may be made to Feed the Children, an affiliate of the American Bible Society, P.O. Box 9, Oklahoma City, OK 73101-0009.

The family wishes to thank the staff at the St. Joseph Retirement Community in Polson and Community Medical Center in Missoula for their caring attention to Lois.

Thank you for all the info. I'm attaching a report for Rosanna Grace Fuller McFarland Ritchie (Your report
Register Report

shows her at Grace R. Fuller) Her oldest son George Ralph, is my adopted dad. My mom Doris May Hubbard was married three times:
2. George Ralph McFarland - my adopted dad and son of Rosanna Grace Fuller.
3. Merle Hickman - his mom was Alvera Dehm Hickman, the sister of my grandmother Gertrude Dehm Hubbard.

I lived with my mom and dad Henderson and brother Ken until I was about 5 years old or so, then Ken and I lived with my grandmother Henderson in Missouri until the fall of 1951. Then we lived with my mom and George McFarland, who then adopted my oldest brother Ken and me. I had an odd childhood. My mom had custody of my brother and I, but my dad and his mom took us to Missouri; then after mom remarried and had another child, she came to Missouri and took us to California. She claimed my dad and his mom hid us, but my dad said that after they were divorced, she kept leaving us with various people while she was off with her married boyfriend (which I think was Merle Hickman - they were high school sweethearts but were forbidden to marry since they were first cousins) and my dad kept getting calls to get up, so he just up and took us out of state since in the 1940's the courts always gave the kids to the mother. At least that's the story I've been told - the truth is probably somewhere in the middle. Anyway, since I was adopted into the McFarland family and Grace was my grandmother and I had lots of McFarland cousins and aunts and uncles, I have lots of McFarlands in my family tree. And McFarland married Fuller and I'm also a Fuller. There are a lot of McFarlands probably also buried in Washington. (Janice)

Ann,
You have a few more siblings than I do. I have two brothers, Ken and Steve, both younger. Steve lives in Elverta, which is about 25 miles north of me - still in the Sacramento area and Ken lives in Salida, which is about 60 miles south of me, just north of the town of Modesto. I look up Kilkenny Court - had never heard of it. It's about five miles south of where I live. Where I lived before, my neighbor worked for food and ag, but I haven't seen him for close to 12 years.

I've worked in both the San Francisco Bay Area and in the Los Angeles area after disasters and I can't decide which one I dislike the most. Probably Los Angeles - I had to fly back and forth. Our field office was in Pasadena and I had to either fly into Ontario or Burbank. I tried to time my arrivals and departures to miss the worst of their commute traffic. After the 1989 earthquake our field office was set up in Mountain View, which is the south bay, and I drove. I was able to drive from Sacramento to Mountain View without going through San Francisco or the Oakland side of the bay. Drove south from Sacramento to Tracy and then took the highway over the Altamont Pass, which got me to almost the south end of the bay. The traffic is terrible in both places - it has also gotten bad in this area, but I don't have to get out and drive in the commute traffic any more.

I retired in the spring of 2003 after 28 years with the state. I was born in Walla Walla, lived a bit in Yakima when I was small and when my parents were divorced when I was 4-5, my brother Ken and I ended up living with my paternal grandmother in Joplin/Neosho are of Missouri. Long story, but my mom had custody, but my dad and his mom took us to Missouri. After my mom remarried and had my younger brother, she came to Missouri and got us and brought us out to Sacramento and this is where I have lived since 1951. I've been divorced since 1981. I have four married children, three sons and 1 daughter, all
living in the area. I have 10 grandchildren (5 boys and 5 girls - ranging in age from almost 5 to almost 22) and one great-granddaughter, who will be 4 in April. My mom was married three times - her second husband - my adopted dad - was related - Fuller/McFarland descendant; and her third husband was her first cousin - their mothers were sisters. My dad was married four times. He had two sons by his second wife that I met once in about 1950 when they were babies/toddlers; a third wife that he had the marriage annulled after a few weeks and his fourth wife, who is a very sweet person and I stay in touch with her. When he died in 2002, they had been married 37 years. She was 45 when they married - her first marriage - and they never had any kids. My dad tried some years ago to locate his two sons by his second marriage, but was not able to and I've done some searching, but have had no luck and it's not something I'm really pursuing. (Janice)
