

Three Quarter Century Club, Newton Daily News 1960

Greetings

The meeting today is the thirty-third annual get-together of the Three-Quarter century Club and The Daily News is pleased to welcome the members and guests.

The Three-Quarter Century Club is unique in that there are no dues or membership fees. The only requirement for membership is that a person must be 75 years old or more and reside in Jasper County at the time of becoming a member. The club was organized March 23, 1927, with a charter membership of one hundred. More than 2,200 men and women have joined the organization through the years.

The first meeting was held September 13, 1927, at the old Jasper County Fair grounds. Sponsored by The Daily News, the club honors men and women who have reached their 75th birthday and provides an opportunity for renewing old acquaintances.

We especially welcome the new members who have joined since the meeting last year. May you all have a pleasant day greeting old friends and recalling again the good times long ago.

THE NEWTON DAILY NEWS
I.O. Brewer, Publisher
