

**CHARITON HIGH SCHOOL
CHARITON, IOWA**

GRADUATES: 1878 - 2004

This list of Chariton High School graduates and their spouses has been compiled from a variety of sources. It has been a work in progress for 40+ years and is not an official listing as per the records of the Chariton School System. The first four year high school class in Chariton was 1878. Prior to that time high school was only a three year curriculum. Chariton High School is still functioning. The information presented here is far from complete and has been drawn from a variety of sources. If you notice any errors or can add anything further I would appreciate hearing from you.
